

Missionary Gospel Academy

Fall 2020 Application

I, _____, understand that my diligent attendance at each Wednesday evening session is essential to my success in the academy and hereby commit myself as a missionary intern for this semester. I also understand that the field trips and events (scheduled each weekend based on availability) are critically important to my success and are therefore mandatory; I commit to attend them all, to the best of my ability.

I realize evangelism outreach is inherently dangerous work given the very real possibility of encountering environments hostile toward the Gospel; obedient Christians are as sheep being sent among wolves (Matthew 10:16). Therefore, I release Missionary Gospel Church from all liability of danger associated with participation in Missionary Gospel Academy field trips/events and hereby suspend my rights to litigate Missionary Gospel Church for any personal injuries and/or property damages that may ensue as a result of my participation in Missionary Gospel Academy activities. I commit to act peacefully and respectfully at all times during these activities.
